## Connecting to Mobile or Tablet

### LEDs & Buttons Explanations

## WiFi Connection

1. Mobile Phone is connected to WIFI. Ensure that the smart phone is within the same wifi network of the smart gateway.
2. Download and open the app. In the app store, search for " Smart Life" or scan QR code. If you are first time to use this app, please tap"Register" to reigister your account. If you already have an account, please click the " Login" button.

3. Open " My home" page of the app, and click "+" button on the upper right corner
4. Press " Others", then press "WIFI connector"
5. Long press WIFI connection button on gateway until LED 2 flash quickly
6. Press "Confirm indicator rapidly blink" on phone.
7. Wait a moment till connection done. Now gateway is connected to app success.

## Mounting

# Aftercare

---
